

Dear All,

## MAY HALF TERM

What a lovely sunny week we have had! I hope you have all enjoyed the sunshine safely and that with the adjustments to lockdown, are feeling a little less confined. At school the MAT Key workers hub has had between ten and twenty children. We have had some new faces join us and they have adapted well to life back at school.

It seems very odd that we have reached May half term already! Well done parents too, for being amazing teachers this half term – You may be pleased to know that this also means that the children will not have their home learning set by their school teachers so both you and your children can relax for another week!

Please can I urge you read our Trust parent letter and to complete the parent survey that has a link in it so that we can gauge numbers for the possible return from 1st June. There is lots of information to digest and I will be writing to you early next week with the schools plans. It has taken a great deal of planning as you can imagine to ensure the safety of the children, staff and parents; and staff and I want to be able to provide you with as much detail as possible.

I am pleased to announce the new nursery name is '**Little Acorns**'! We have had an overwhelming response to places which we are really excited about!

Stay safe and well!

Mrs Mace
