

In A Nutshell

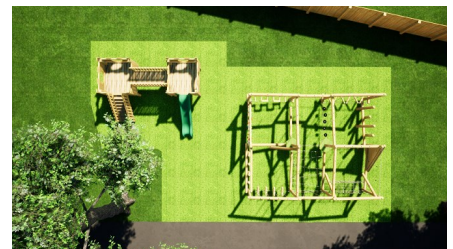

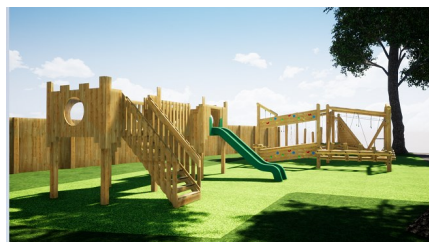

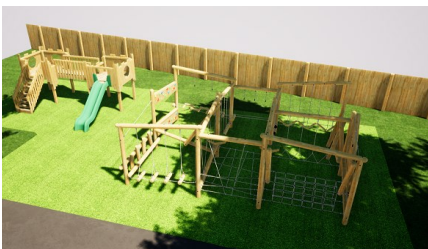

Head Teacher's Newsletter Summer Term 2020 Week 10

Dear All,

This week seems to have flown by! We have all adapted back at school and our numbers have crept up slowly. We have achieved a lot this week digitally. The Acorns Nursery has a new promotion video and the applications forms have all been sent out! Click [here](#) to see the link. As mentioned last week, we also have a new virtual tour of the school. I think it not only shows how lovely our school grounds are but how lucky we are too. Please click [here](#) to view it.

Outdoor learning has been a bit restricted this week due to the weather but I am proud of how all the children are calm and working hard. I enjoy hearing about the lovely work the children are producing on Edmodo too! The teachers often send me screenshots of what they have been up to! I am hoping that with the heatwave next week we will be able to return to working on the pond and forest school. Please remember to apply the all day sun cream, bring a sun hat and water bottle!

All year I have been mentioning the new play area that we have been fundraising for. We now have an install date of the end of July (slightly delayed due to Covid) but I thought you would like to see what we will have to look forward when we return in September. Thank you all so much for helping raise the funds.

Stay safe and well!

Mrs Mace
