

In A Nutshell

Headteacher's Newsletter Summer Term 2020 Week 13

Dear All,

It has been lovely to see the Years 2, 3 and 4 return on their face to face days this week and I have been surprised at how tall they have become! They were all so happy to see their teachers and bounded in to school. This face to face contact no doubt will have helped them settle back in September.

The children have been taking part in the Virtual and Pod based Sport Week. I have been particularly impressed by children's efforts and their adaptability. The results are attached:

This week, the building remodelling has begun on the Lower Site to transform it to our purpose build Acorns Nursery. It seems very strange to say that this time last year, work began on the Reception/ Year 1 Nest remodelling– so much has happened in a year!! If you have any suitable toys for indoors or outdoors for 2-5 year olds that your child/children have out grown and are in good condition, we would love to rehome them in the nursery and Reception Class. Please let the office know and we can organise a socially distanced drop off.

You should, by now, have received your child's end of year report. If you haven't returned the slip to say you have received it, please can you do so or email office@hamsey.surrey.sch.uk. Thank you.

Stay safe and well!

Mrs Mace

The letter for classes next year has been sent out today. Please keep this safe as it has information about what the children will need to bring in, reminders and the start and their collection times listed.
