

In A Nutshell

Headteacher's Newsletter Autumn Term 2020 Week 1

Dear All,

We have been delighted that the full re-opening of our school has been extremely successful. Hearing and welcoming all the happy children has been fantastic and seeing their faces when spotting the adventure play area and then playing on it has been priceless! The whole community seems to have settled in well.

Having had 2 full days back now, please can we remind you that if possible to:

- Walk to school to alleviate transport /parking issues.
- Adhere to guidelines that state only 1 adult should be dropping off and collecting. We would kindly request that older secondary students do not come on to the school site so we can reduce the numbers of people we have in the playground and reduce the possible contamination for our school community. This will also cover the days when the Secondary schools finish early on certain days. We thank you for your cooperation in this matter.
- And that at any time, cars should not be parking on zig-zag yellow lines or parking across residential driveways.

Thank you and we wish you all a lovely weekend.

Mrs Mace

All children and parents have now been informed when their class PE sessions are. Please remember they need to come in their PE kits. As soon as we know details about swimming sessions for Year 5 and 6 from Warlingham, we will write to you.

Please remember to book your child's school dinners, Breakfast Club and After School Club places in advance if possible!

We have been notified that the Government scheme to provide a free piece of fruit will resume again. We are in contact with the suppliers and hope this will commence Week beginning 14th September 2020.

Word of the Week

(KS1) **Return**—To come back somewhere; to give something back

(KS2 lower) **Gingerly**—To show great care or caution

(KS2 Upper) **Transition**—A period of changing from one state to another; to undergo a period of change
