# Free Early Education for Two year olds (FEET)

April 2015 – March 2016

**Free Early Education for Two year olds (FEET)** is an offer of up to 15 hours of free early education and childcare a week. Check the lists on the back of this flyer to see if you can get FEET, as it is only available to a small number of two year olds in Surrey.

If your family is successful in getting FEET, your child will be able to get a free early education place from the start of the school term after their second birthday. And you'll be able to take up to 15 hours of free early education a week, for a total of 38 weeks. Or if your childcare provider is open all year, you may be able to take less than 15 hours of free early education a week but spread the total number of free hours over more weeks.

"FEET offers your child a great start to their early learning"
