Accessibility Plan 2018 - 2021

Review Date: January 2021

HAMSEY GREEN PRIMARY SCHOOL

ACCESSIBILITY PLAN 2018 - 2021

In line with the **Special Educational Needs and Disability Act 2001**, Hamsey Green Primary School undertakes to:

- Not treat disabled pupils less favourably, and
- Take reasonable steps to avoid putting disabled pupils at a substantial disadvantage

‘A person has a disability if he has a physical or mental impairment which has a substantial and long-term adverse effect on his ability to carry out normal day to day activities.’ (Disability Discrimination Act 1995)

Improving Access to the Physical Environment

Target	Action	Resources	Timeframe	Outcomes
Ensure visibility of steps/kerbs etc. remains clear at all times	Site Manager to monitor half termly and re-paint steps yellow as and when required	Paint Premises Manager - time	On-going	In place - monitor
Access to school building via car park for anyone with mobility problems.	Ensure disabled bays in both car parks are kept clearly designated. Members of the public to be allowed to use bays if free to allow ease of access on site.	P Manager – to ensure signs kept clear.	On-going	

Improving Access to the Curriculum

Target	Action	Resources	Timeframe	Outcomes
To ensure general disabled access across the whole school remains in place and any improvements highlighted are brought to the attention of the SBM.	Premises Manager to monitor and report to SBM. Act upon legislation and maintenance issues as they arise. .	Premises manager – time for physical monitoring. SBM and Premises Manager – time to implement new requirements/improvements.	On-going	
Focus on individual year groups as need arises for more physical access to classrooms.	SBM to liaise with SCC for provision of rubber access 'mats' to enable more wheelchair access.	SCC – access mats Premises manager – monitoring of site	On-going	Access mats - not deemed necessary by SCC
Hearing impaired system	SBM to research hearing systems with IT Consultants and Warlingham School	SBM and IT time	September 2018	Can be done when required.
Refurbishment	To ensure that when classrooms are refurbished (painted) that appropriate colours deemed better for visually	Premises and SBM time	On-going as refurbishment takes place.	

	impaired are used.			
Upper site – disabled toilet use	To ensure that pupils and members of staff are protected when pupils have to be accompanied to use the disabled toilet on the Upper site.	Screen required	January 2018	In place – being monitored.

To be reviewed January 2021
